

MC257 power amplifier

- Experience the latest blockbusters and your favorite movies like never before in your home theater with the sound quality and power only McIntosh can deliver.
- Highlighted by our new eye-catching TripleView™ Power Output Meter that independently indicates the real time power reading of the three front channels.
- Delivers 250 Watts per channel when using just the three front channels. When using all 7 channels, each receive a healthy 200 Watts per channel.
- Dynamic Power Manager® (DPM) technology delivers the full 200 or 250 Watts to either 4 or 8 Ohm speakers.
- Compared to previous model, dynamic headroom - a key feature in a home theater amplifier - increased 94% from 1.7dB to 3.3dB.
- Features five McIntosh Monogrammed Heatsinks™ that efficiently and silently cool the amplifier; as a result, noisy cooling fans are not needed. A quiet, specially wound toroidal isolation power transformer also helps keep noise to a minimum.
- Has multiple uses: it can power a 7-channel home theater; it can be paired with either our MI128 or MI254 digital amplifiers in theaters that have more than 7-channels; or it can be used in 5-channel theaters with 2 of its channels available to power a second audio zone.
- Includes Power Guard®, Sentry Monitor™, Power Control, our eco-friendly power management system, and direct LED lighting of the front panel.

Bring Your Home Theater Dreams to Life

MC257 power amplifier

Power Output:

3 Front Channels only: 250W @ 4 or 8 Ohms
All 7 Channels: 200W @ 4 or 8 Ohms

Total Harmonic Distortion:

0.005% maximum from 20Hz to 20kHz

Signal to Noise Ratio:

108dB

Dynamic Headroom:

3.3dB

Damping Factor:

Greater than 70 @ 4 Ohms
Greater than 140 @ 8 Ohms

Frequency Response:

+0, -0.25dB from 20Hz to 20kHz
+0, -3.0dB from 10Hz to 100kHz

Inputs & Outputs:

7 Balanced inputs
7 Unbalanced inputs
Gold-plated speaker binding posts

Overall Dimensions (W x H x D):

17-1/2" (44.45cm) x 9-7/16" (23.97cm)
x 21" (53.3cm)

Weight:

95 lbs (43kg) net,
128 lbs (58kg) in shipping carton

For the Consumer's Protection:

In order to ensure the highest level of customer satisfaction, new McIntosh products may only be purchased from an Authorized McIntosh Dealer; and, with certain limited exceptions may only be purchased over-the-counter or delivered and installed by the Authorized McIntosh Dealer. McIntosh does not warrant, in any way, products that are purchased from anyone who is not an Authorized McIntosh Dealer, or that have had their serial numbers altered or defaced.

Companion Products

The MX170 and MX123 A/V Processors, MI128 and MI254 Power Amplifiers, MVP901 Blu-ray Player, XRT1.1K or XR100 Floorstanding Speakers, LCR80 Center Channel Speaker, WS500 or WS300 In-Wall Speakers, CS200 In-Ceiling Speaker and MPC1500 Power Conditioner are logical companions for the MC257 Power Amplifier. Your Authorized Dealer can provide additional information on other McIntosh product combinations.
